

Joint International Conference on ICMAP 2020 & ISFM 2020

August 16-20, 2020 / August 16-19, 2020
PHOENIX JEJU Hotel & Resort, Jeju Island, Korea

Prof. Haixing Wang
Beihang University, China

Dr. Hai-Xing Wang is now the Professor of Beihang University, Elected member of Board of Directors of International Plasma Chemistry Society (IPCS 2020-2023), Fellows of Chinese Society of Theoretical and Applied Mechanics, Chinese Society of Astronautics, Chinese Society of Aerodynamics Research. He focuses his research interests on low temperature plasma applications, such as arc plasma, micro-discharge more than 10 years and some important progresses have been achieved through the continuing efforts on this field. More than 40 peer reviewed papers have been published in this field. He was invited to have talks on the 10th anniversary of International Workshop on Microplasmas (IWM10, 2019), the 7th International Conference on Microelectronics and Plasma Technology (ICMAP 2018), the 1st Asia-Pacific Conference on Plasma and Terahertz Science (APCOPTS 2018), 2nd International Conference on MicroProulsion and CubeSats (MPCS 2018), the 1st and 3rd Asia-Pacific Conference on Plasma Physics (AAPPS-DPP2017, 2019), the 2nd and 3rd Korea-China Joint Workshop on Plasma Science, Technology and Applications (2017, 2019), the 13th Asia-Pacific Conference on Plasma Science and Technology (APCPST, 2016), the 21st International Symposium on Plasma Chemistry (ISPC21, 2013). He was also invited to present papers to the Special issues for the Plasma Chemistry and Plasma Processing in memory of Professor Emil Pfender (2016) and in memory of Professor Joachim Heberlein (2015).
